This Schedule of Benefits does not replace the legal contract or certificate which identifies all covered services, additional details, limitations and exclusions of the coverage. For a complete description of covered services, please see your Certificate of Coverage and any amendments to your Benefit Plan. If you have questions about Common Ground Healthcare Cooperative Benefits, call 1-877-514-2442.

PA indicates Prior Authorization is required for these services. Call 1-877-825-9293 for Prior Authorization. Failure to obtain Prior Authorization when required will result in the Member receiving a lesser Benefit. (*PA required when inpatient stay extends beyond the standard 48 hours (vaginal) to 96 hours (cesarean)).

When working with a health insurance broker, the broker is compensated \$20 per member per month.

¹No payment will be made for out-of-network care except for emergency care, urgent care outside of our service area or when there is no innetwork provider that can perform covered services and written approval is obtained as outlined in our certificate of coverage.

⁵All Other Services are defined as services not elsewhere listed in this schedule of benefits.

⁶Copay applies to the facility ER charge. All other charges rendered as part of your ER visit are subject to their applicable additional copayment or deductible/coinsurance as specified in this schedule of benefits.

⁷The Affordable Care Act (ACA) provides for coverage of certain preventive services based on age, gender and other health factors at no cost to the member. Visit www.commongroundhealthcare.org/coverage-details for a complete listing. During a preventive care visit, you may receive services that aren't required to be covered at no cost to you under the ACA. Those services may require a copay, or the charges may apply towards your deductible and/or coinsurance.

⁸If you purchased a plan that includes routine vision exams for adults, refraction and dilation are not included in the adult eye exam.

⁹If you purchased a plan that includes dental coverage, preventive dental services include: 2 exams per year, 2 cleanings per year, x-rays (one full mouth, one bite wing), fluoride with cleanings (up to age 14, limit 2 per year), and sealants (up to age 14 on permanent molars only).
