2 **Services that meet our definition of Emergency Care** are paid at the in-network rate even when care is provided by an out-of-network provider or facility. We recommend members to go to the nearest Emergency Room in a life-threatening emergency. The plan copay applies to the facility charge only. All other charges related to ER visits are subject to additional copayment or deductible/coinsurance.

3 **D/C** refers to Deductible/Coinsurance.

4 **Preventive Dental** is available for additional premium in the following counties: Kenosha, Milwaukee, Ozaukee, Racine, Washington, and Waukesha only. If you purchased a plan that includes dental coverage, preventive dental services include: 2 exams per year, 2 cleanings per year, x-rays (one full mouth, one bite wing), fluoride with cleanings (up to age 14, limit 2 per year), and sealants (up to age 14 on permanent molars only).

Our Deductibles Explained: All plans have a 12-month deductible. All deductibles, coinsurance and copayments accumulate toward the out-of-pocket maximum. All plans noted above have embedded deductibles for family coverage. This means that if you are enrolled in a 2-person or family plan, an individual family member only has to satisfy the individual deductible before the plan begins to pay for covered services for that family member.
