Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 individual / \$0 family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. In network <u>Preventive care</u> is covered before you meet your <u>deductible</u>	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	\$0 individual / \$0 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the out-of-pocket limit?	Premiums, <u>out-of-network provider</u> charges, <u>copayments</u> for certain services, <u>balance-billing</u> charges, healthcare this plan doesn't cover, and penalties for failure to obtain <u>prior authorization</u> for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network</u> provider?	Yes. See www.CGCares.org/Find-a-Doctor or call 877-514-2442 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Important Questions	Answers	Why This Matters:
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the in-network specialist you choose without a referral.
