This Schedule of Benefits does not replace the legal contract or certificate which identifies all covered services, additional details, limitations and exclusions of the coverage. For a complete description of covered services, please see your Certificate of Coverage and any amendments to your Benefit Plan. If you have questions about Common Ground Healthcare Cooperative Benefits, call 1-877-514-2442.

PA indicates Prior Authorization is required for these services. Call 1-877-825-9293 for Prior Authorization. Failure to obtain Prior Authorization when required will result in the Member receiving a lesser Benefit. (*PA required when inpatient stay extends beyond the standard 48 hours (vaginal) to 96 hours (cesarean)).

When working with a health insurance broker, the broker is compensated \$20 per member per month.

¹No payment will be made for out-of-network care except for emergency care, urgent care outside of our service area or when there is no in-network provider that can perform covered services and written approval is obtained as outlined in our certificate of coverage.

²Primary Care Provider may include general pediatrics, internal medicine, obstetrics/gynecology, family practice, general medicine and geriatrics.

³Specialists are all provider types other than those defined elsewhere in this Schedule of Benefits.

⁴When receiving covered services at an office or hospital visit, member may be subject to copay charges for both the facility and the service rendered.

⁵All Other Services are defined as services not elsewhere listed in this schedule of benefits.

⁶Copay applies to the facility ER charge. All other charges rendered as part of your ER visit are subject to their applicable additional copayment or deductible/coinsurance as specified in this schedule of benefits.

⁷The Affordable Care Act (ACA) provides for coverage of certain preventive services based on age, gender and other health factors at no cost to the member. Visit www.commongroundhealthcare.org/coverage-details for a complete listing. During a preventive care visit, you may receive services that aren't required to be covered at no cost to you under the ACA. Those services may require a copay, or the charges may apply towards your deductible and/or coinsurance.

⁸If you purchased a plan that includes routine vision exams for adults, refraction and dilation are not included in the adult eye exam.

⁹If you purchased a plan that includes dental coverage, preventive dental services include: 2 exams per year, 2 cleanings per year, x-rays (one full mouth, one bite wing), fluoride with cleanings (up to age 14, limit 2 per year), and sealants (up to age 14 on permanent molars only).

¹⁰Please refer to the Certificate of Coverage to determine what oral surgery procedures are covered.

¹¹Only certain Prescription Drug products are available through mail order.

¹²When a brand is dispensed and a generic is available, you may be responsible to pay the difference in cost between the brand and generic in addition to the brand drug cost share (copay, deductible and/or coinsurance). The difference in cost will not apply towards your deductible and/or maximum out-of-pocket.

¹³Copay is applied per provider, per date of service.
