

HEALTHCARE COOPERATIVE

NEW 2018 ENVISION NETWORK

Starting January 1, 2018, Common Ground Healthcare Cooperative individual and employer plan members will have access to more doctors, specialists and health care facilities in our Envision network. This is in addition to the high quality care delivered by our current provider partners, **Aurora Health Care** and **Bellin Health**. The following pages include a listing of all providers as of November 16, 2017 that will be part of our 2018 Envision network. You can always call us prior to your appointment to ensure that your doctor is still in network.
